### FRANK POOR

Frank Poor is a graduate of the Rhode Island School of Design. His work is influenced by his childhood hometown of Woodstock, Georgia. He is motivated by nostalgia and his architectural sculptures evoke the concepts of place, time and memory. His work tries to hold in one place what is there and what is gone and missing.

### THOMAS DOYLE

Thomas Doyle is a graduate of Humboldt State University. He is a miniature artist and his pieces evoke a sensation of unbidden memory recall. Hovering above the glass domes that cover the pieces, the viewer approaches these worlds as an all-seeing eye, looking down upon landscapes that dwarf and threaten the figures within.
